LE ROCH HOTEL & SPA
Luxuriously at home in Paris

Disarmingly elegant, Parisian designer Sarah Lavoine's bold graphic style is evident in the dramatic palette of the public spaces and 32 rooms and 5 suites which offer five different colour schemes, a beautiful use of natural light and materials featuring Carrara marble and walnut flooring. Bathrooms boast large bathtubs by Kaldewei and Moroccan zelliges. Take an indulgent dip in the spa's glamorous indoor pool where you can swim directly into the hammam through a veil of water. When relaxing turns to eating, Executive Chef Rémy Bérerd creates delicious seasonal faire from hearty specialities to cocktail bites. *Le Roch Hotel & Spa, Paris, France*
