

Couleur Vanille Menu

L'Artisan Parfumeur's newest creation, Couleur Vanille, is the inspiration behind Remy Béreud, Chef of Le Roch Hotel & Spa's restaurant Spring menu.

It's the beautiful tale of an unforgettable encounter between chef and perfumer around this warm and iodized vanilla.

Let the adventure begin...

As a starter, he imagined a very vegetal, tangy, light but gourmet approach, keeping with the «head» notes of the fragrance, and offers a

Pea and Seaweed Tartar / vanilla Granny Smith / bergamot oil emulsion / lemon balm

18 €

As a main course, a more consistent finishing goes along with the

Freshly seared scallops / celery mousseline / vanilla milk foam and Cazette slivers

36 €

To conclude this culinary journey, the dessert will recall the «bottom» notes, rounder, with a

Bruyere honey biscuit / creamy vanilla / coconut foam / jasmine ice cream

14 €

You may choose only one dish, or several ones, according to your taste and preferences.
